

We made it **SAFE**, so you can play your **BEST**.

At Conn-Selmer, the health and wellness of musicians matter. We are happy to announce Bach Brass as the only manufacturer of lead-free* mouthpieces. We are also the first to introduce an antimicrobial lacquer as a preventative measure for fighting viruses and bacteria. It is used on all USA manufactured brass instruments.

- Available on both silver- and gold-plated mouthpieces
- Improved on the most consistent mouthpieces in the industry
- Lacquer found on these brands:

Bach® Holton® KING

*This product complies with the 0.25% weighted average lead content on wetted surfaces in accordance with Safe Water Drinking Act (SDWA) / Federal Public Law NO. 111-380.

The antimicrobial lacquer can be found on all US made brass instruments.

- Prevents growth of bacteria
- Deactivates viruses
- Lacquer found on these brands:

Bach® C.G. Conn® Holton® KING
